Las Vegas, NV – July 11, 2006 - In a major move for the Luminart Corporation (OTC: LUMP.PK), the company has announced that it has retained Imperiali, an international advisory firm, to facilitate its global expansion and rollout plans.

Imperiali Inc. will focus on strategic partnering, product licensing, setting up distribution networks, analyzing manufacturing, and identifying joint venture/acquisition partners

The official terms of the agreement were not publicly disclosed.

LuminArt Corporation, an innovative leader in digital print & visual communications industry, offers everyone from business owners to artists to create high power neon-like signs using their proprietary luminescent gel and sign manufacturing machines.

Luminart offers 4 products: Luminite gel, Edge-lit light boxes, System 2020, and System 4040.

Luminart was initially identified by Kyle Hauser of the Imperiali Organization as company poised for exponential global growth.

“We believe in the Luminart product and technology. This is a product that businesses around the world can utilize and has huge potential to be a global sensation,” commented Hauser.
