budapestlets.com, is a new on line business targeting tourists to Budapest who are interested in sampling high quality apartment accommodation in the heart of this dynamic and rapidly expanding city. Budapestlets offer a range of studio, one, two bed and three bed central apartments which are high in comfort and quality and low in cost. Budapestlets offers both short and long term rental accommodation options.

www.budapestlets.com, have opened a Budapest office to help the business develop its apartment accommodation offer to both short and long term rental customers. Based in the heart of Budapest in the city's thriving district 9, Budapestlets has opened the office as demand has soared for its short term apartment accomodation with increasing requests for the company to offer long term rental accomodation. Based on Lonyay utca at the corner of Matyas utca the office will help the company to establish itself as a provider of premium short and long term rental apartments offering quality at affordable price points.

Budapestlets.com partner Gordon Cross comments" we have seen a growing number of requests from both visitors and locals looking for the company to increase its spread of apartments to offer longer term rental options in addition to the current 14 apartment portfolio we offer for short term rent. We focus our attention on providing quality accommodation in traditional renovated buildings at affordable price points and we have found that the excellent service we offer on the ground here in Budapest is generating a growing number of requests for us to manage other properties and for us to grow our own portfolio to service the expanding Budapest market"

Anyone wishing to enquire about long term rentals with Budapestlets or property owners wanting to discuss budapestlets managing their portfolio on their behalf should contact Budapestlets office manager Bernadette on email:

Editors note:

www.budapestlets.com, offers a number of superbly appointed apartments in central Pest locations. All apartments are from the Hapsburg and later Art Deco period and have been fully renovated and refurbished to enrich the guests experience of this most vibrant and exciting city. Guests enjoy the space and freedom that these serviced apartments afford with fully fitted bedrooms, private lounges, fully fitted kitchens and bathrooms all modernized to exacting interior standards.

The aim is to offer clients a real taste of Budapest life at a fraction of 2 and 3* hotel prices. Budapestlets offers the apartments on a short term or long term rental basis for holiday makers, city breakers and the corporate market looking for longer contract periods.

All are fully serviced with guests able to savour apartment living in the heart of the city and on the door step of the bustling café bars and restaurants which line the tree shaded squares, avenues and courtyards. All essentials are allocated, providing guests with peace of mind and the freedom to explore the city's long history and many charms.

Bookings can be made via telephone and e mail, but very easily through an on line booking system. There is a minimum stay period of only two nights and sharing accommodation is the most cost effective option of all.

The serviced accommodation market is emerging as a cost effective and popular alternative to hotel accommodation and provides a cultural alternative of stay whatever the length of time. Viewings of the apartment portfolio can be made at www.budapestlets.com
