Atlanta, GA Tuesday, October 29, 2009 –

Karen Weinstock the managing attorney of the Atlanta Immigration Law Firm Siskind Susser has been selected to The Best Lawyers in America (2010) in the specialty of Immigration Law. Best Lawyers is one of the oldest and most respected peer-review publication in the legal profession. For a quarter century, the publication has helped lawyers and clients find legal counsel in unfamiliar jurisdictions or unfamiliar specialties.

Best Lawyers compiles lists of outstanding attorneys by conducting exhaustive peer-review surveys in which thousands of leading lawyers confidentially evaluate their professional peers. In the U.S., Best Lawyers publishes an annual referral guide, The Best Lawyers in America, which includes 39,766 attorneys in 80 specialties, covering all 50 states and the District of Columbia.

The current, 16th edition of The Best Lawyers in America (2010), is based on more than 2.8 million detailed evaluations of lawyers by other lawyers including Atlanta immigration attorneys and immigration law firms. The Best Lawyers in America also publishes peer-reviewed listings in more than 48 countries around the world. The Best Lawyers Board of Advisors includes legal luminaries from almost every major world economy as well as general counsel from global companies with

business on every continent.

Because Atlanta immigration attorneys are not required or allowed to pay a fee to be included, a listing in Best Lawyers is widely regarded within the legal profession as a signal honor, conferred on a lawyer by his or her peers. For more than 25 years, Best Lawyers lists have earned the respect of the profession, the media, and the public, as the most reliable, unbiased source of legal referrals anywhere including Atlanta immigration law firm Siskind Susser.

Best Lawyers listings also reach a broader and more important audience than any other lawyer-rating publication. Internationally, more than 200,000 individuals, 1,800 law firms, and 4,500 general counsel subscribe to BestLawyers.com. The website hosts more than 9.4 million page views a year, many of them by Fortune 1000 companies.

More than 88,000 top general counsel see the lists in incisive publications such Corporate Counsel and The American Lawyer, while more than 16 million readers see the lists in dozens of city and regional publications in the U.S. including The Washington Post, The Los Angeles Times, and New York Magazine, as well as in major business and general publications around the world, from Business Day in South Africa to Expansion in Spain, from the Australian Financial Review to the National Post in Canada.

In addition, Best Lawyers lists are available on all Bloomberg Professional terminals, reaching more than 350,000 top business people across the globe.
