The Horasis Global China Business Meeting is the foremost annual gathering of Chinese business leaders and policy makers and their global counterparts. It is held in the recognition that growth strategies within the Sino-global framework require thought leadership and mutually beneficial peer-to-peer networks. The meet is an influential gathering of government, academic and business leaders hosted by Horasis, The Global Visions Community that is the world's leading strategic advisory on long-term scenarios related to globalization, systemic risk and Asian business.

Founded and led by Frank-Jürgen Richter, former Director of the World Economic Forum in charge of Asian affairs and a

world authority in international affairs and global business, Geneva-based Horasis guides corporations that envisage growing into global and sustainable organizations. The Horasis Visions Council comprises Jagdish Bhagwati, Professor at Columbia University; Tun Dr. Mahathir Mohamad, former Prime Minister of Malaysia and Jenny Shipley, former Prime Minister of New Zealand, among others luminaries, and provides invaluable insights into future directed strategies on a variety of issues - from the value of systemic risk assessment toward world problems, to ways to foster globalization, to the need for understanding Asia's future role in the world economy.

Mr. Sinha serves as the Executive Chairman of MetricStream, an organization dedicated to enabling businesses to improve performance through effective Corporate Governance, Risk Management and Regulatory Compliance. Under his leadership, MetricStream has emerged as the market leader in solutions for Governance, Risk, Compliance (GRC) and Quality Management. Mr. Sinha spoke recently at the Boao Forum for Asia Annual Conference 2009, the premier Asian business and economic forum attended by leading government and business leaders from around the world including the Chinese Premier Wen Jiabao. Mr. Sinha was also recognized as one of the "Outstanding 50 Asian Americans in Business Award" winners by the Asian American Business Development Center (AABDC).

Speaking on his participation at the event as a featured speaker, Mr. Sinha said "It is my privilege to be associated with the Horasis Global Visions Community and join this influential forum to discuss China's ability to reverse the downward trend in global economic growth. As we celebrate the 60th anniversary of the founding of the People's Republic of China, it is an opportune time to reflect on the success of China's 30 years of economic reforms. "
