Austin, TX – September 3, 2006 – Drulz.com an online music community averaging 3,000,000 hits/day is now for sale. Drulz.com is an online music community for independent artists servicing all genres. The main goal of drulz is providing independent artists the outlet they need to be heard globally.

When asked what the move behind the selling was, (Jeff Hill, www.drulz.com, programming director) responded by saying that “Drulz.com is obtaining more and more traffic each day, as we can no longer handle the traffic nor the updates as we would like to provide our users with, we decided to offer drulz.com up for sale”

The site features video support, audio/video charts, photo galleries, guestbook’s, member system, plus many more features. Also, drulz.com is integrating the selling of artists mp3’s for 99 cents. If you are interested in speaking with drulz.com, please contact them at contact@drulz.com
