Press release from: [MetricStream, Inc.](#)

MetricStream, Inc., a market leader in the enterprise-wide Governance, Risk and Compliance (GRC) solutions today announced that LiveOps, Inc. has selected MetricStream GRC Platform for financial controls process management and automation.

LiveOps is a rapidly growing Silicon Valley technology company offering two innovative solutions for enterprises: Contact Center in the Cloud, a SaaS technology platform for managing contact centers, and Workforce in the Cloud, on-demand workforces for outsourcing call center calls.

LiveOps will deploy MetricStream GRC Platform to streamline the company's ongoing review of its financial controls documentation. The MetricStream solution will provide users with an integrated management platform for internal control system over financial reporting.

"We are very excited that LiveOps selected MetricStream for their financial controls initiative," said Gaurav Kapoor, CFO and General Manager at MetricStream. "Fast growing companies today need to have a strong foundation for compliance programs; the decision to invest in the right IT architecture for GRC will reap tremendous benefits in the long run."
