Club Tropical is a new and undiscovered collective of eight young London-based photographers. Red Gate Gallery is proud to present the first exhibition for this collective, showcasing new and eclectic photography by emerging artists and presenting an exciting opportunity to celebrate the launch of a potentially leading London photography group.

This exhibition focuses on how each individual artist perceives their surroundings through capturing images. Themes such as portraiture, landscape and documentary are explored throughout the collection of work.

Club Tropical is a great example to other young aspiring artists, showing them that there are not boundaries in the art industry. Anyone can showcase their own work with determination and direction and that is what this new group has done. Going against the conventional east London art scene, Club Tropical presents an innovative yet realistic approach to today's art society.

Red Gate Gallery is a non-for-profit organisation that is dedicated to the continuous exposure of contemporary and diverse Art forms. It encompasses artists' studios, a large gallery space suitable for installations, film projections, music performances, live gigs and exhibitions. Red Gate is located within a busy environment between Brixton & Camberwell. The gallery hosts regular events, exploring strands of thought provoking art. Since 1998 it has hosted over 500 events and exhibitions. Home Page: [www.redgategallery.co.uk](http://www.redgategallery.co.uk) - check on our upcoming events
