Fluance Speakers has just announced an exciting new contest giveaway. The grand prize is their best 5 speaker surround sound home theater system, as well as a Yamaha 5.1 channel amplifier/receiver.

Entering the contest is easy - participants just need to become a fan of the Fluance Speakers page on Facebook, and then fill in a short entry form on Fluance.com. Fluance is expecting more contest entries this time around than ever before.

"After the success of our first contest, it became very obvious what a faithful following Fluance has," said Joseph Gottli, Marketing Associate and Blog Contributor at Fluance Speakers.

"That being said, the amazing response we've already received for our newest contest has blown me away. Our fans are the best in the world, and this contest just proves that."

Fluance is a Canadian based speaker company that produces high end home theater systems. Established in 1997 and based in Niagara Falls, Ontario, it markets to both the U.S. and Canada. A relatively new contender in the home theater business, Fluance prides itself on pushing cutting edge technology to its limits and using high grade parts in the construction of its speaker systems. All the while, Fluance encourages its customers to buy direct, which bypasses the middleman and allows the company to sell its products to consumers at prices well below those of its main competitors.
