London, UK (Jan 29, 2010) - Leading UK supplier of quality promotional products and corporate gifts, 2bsourced are making it even easier to find the perfect promotional, corporate and branded gifts and products with the launch of their fantastic new website, which will go live in January 2010.

As a leader in their field, 2bsourced offer an incredible range of promotional merchandise and other products which includes a staggering 12,000 items, and while this offers the widest choice possible it has also meant that customers can, at times, feel literally spoilt for choice when looking for the right promotional items for their needs.

With this in mind, 2bsourced have totally revamped their website to allow customers to browse and find the perfect products even more simply and quickly.

The new site includes a plethora of new features including the ability to see recently viewed products and similar products, an improved search facility with enhanced filter and category functionality, even more up-to-date pricing and products, upgraded larger image functions, and faster navigation and page uploads to enable quicker browsing.

"We are really excited about the new site," commented a Gersh Grosberg of 2bsourced. "We've invested a great deal of time in improving the functionality and we are really pleased with the result as it will allow customers to have improved access to our huge range of corporate gifts and other products."
