CDN Solutions Group announce its participation in the glorious event of INDIASOFT, an International IT event.

Indore, India, 3rd Feb 2010- CDN Solutions group, leading IT Solution provider announces an exclusive preview of its IT Solutions at INDIASOFT, an International IT Exhibition & Conference. The event is a conglomeration between IT buyers and Indian IT companies (exclusive buyer seller meet) and is going to be in Jaipur, India from 10th to 12th March 2010.

This B2B landmark event of INDIASOFT provides an excellent platform for CDN Group to build strong business relationship with organizations looking for an experienced technology partner. CDN works in Open Source (LAMP, PHP, Ruby on Rails, JAVA, Symphony, Joomla, Drupal, Moodle, Alfresco), Microsoft technologies (.NET, VB, Asp.Net, Sharepoint services), ColdFusion and various upcoming smart phone technologies like iphone, Android, Symbian and Blackberry, PalmwebOS.

CDN will also be showcasing some other solutions like Business intelligence and Data Warehousing (BIDW) , Enterprise Content Management ( ECM), Customized ERP, Document Management System (DMS) and SharePoint services.

CDN Solutions Group is leading IT Service Company that provides timely and cost effective solutions to a reputed large clientele across the globe. We have project execution experience of more than 50000 hrs, for 325+ projects, in 18+ countries in various industrial verticals. A team of 150+ software professionals striving together in our endeavor to consistently deliver quality solutions.
