

ExpressCare partners with RSI for end-to-end IT outsourcing services

Date: 02-05-2010 10:59 AM CET

Category: [IT, New Media & Software](#)

Press release from: [Real Soft, Inc](#)

Real Soft, Inc (RSI) has added another health care client for providing IT services. ExpressCare (provider of quality, convenient, affordable healthcare services in the US) has entered into an agreement with Real Soft, Inc (RSI) for offshore IT solutions & Services. Under this long term contract, RSI will continue to provide Applications Development, Integration, 24/7 Maintenance & Support Services through its unique dotECO engagement model.

After a thorough discussion and evaluation of various offshore vendors from different geography, ExpressCare selected RSI for its expertise in healthcare domain, considerable cost saving through its non-tradition engagement model and its proven record of offshore services.
