LVIV, Ukraine – January 22, 2010 – N-iX, Ukrainian IT outsourcing provider of software solutions and engineering services, has verified its status of a Microsoft Gold Certified Partner for year 2010.

N-iX LLC has gained the highest status of Microsoft partnership in 2009 as recognition of its highest level of technological excellence, marketplace impact and satisfaction of customers through Microsoft products and services. N-iX company together with acknowledgment of its Microsoft gold certified partnership receives a rich set of benefits, including licenses and aid in development, sales, marketing and training support and others. This certification claims that Microsoft Certified Partner is most reliable to work with. It means that N-iX LLC has demonstrated expertise, a wide-range of experience and is supported directly from Microsoft.

The recognition from Microsoft of N-iX partner status in 2010 is a very significant event as it is an evidence of our professionalism and verifies N-iX as a proven IT technologies specialist.

The Microsoft Partner Program was launched in October 2003 and represents Microsoft's ongoing commitment to the success of partners worldwide. The program offers a single, integrated partnering framework that recognizes partner expertise, rewards the total impact that partners have in the technology marketplace, and delivers more value to help partners' businesses be successful.
