Press release from: [Sanex Packaging Connections Pvt Ltd](#)

Gurgaon, Jan 2010 - Sanex Packaging Connections Pvt. Limited, a common packaging platform to connect & serve professionals from all across the globe, today announced its ISO 9001:2008 certification after attaining the global quality standards set forth for companies by the ISO, a network of national standards institutes across more than 150 countries.

“We have achieved a high level of client appreciation by understanding their requirements and exceeding their expectations and now these standards will enhance our ability to serve worldwide packaging industry in the better way” said Sandeep Goyal, Founder & CEO of Sanex Packaging Connections.

To achieve ISO certification, the Sanex Packaging Connections staff underwent a complicated certification process, including an audit. Sanex Packaging Connections product development team created detailed documentation for business processes and procedures, including addressing customization requests, incorporating product enhancements, fixing customer issues, and maintaining quality.

“Implementing ISO standards certainly increases involvement and time, but the benefits outweigh the costs for sure in the long term,” said Sandeep Goyal. “It helps to succeed through improved customer satisfaction, staff motivation and continual improvement and also helps your managers to raise the organization's performance above and beyond competitors”
