Boeing recognizes TIG for achieving superior performance as a Boeing supplier in 2009

SAN DIEGO – Technology Integration Group (TIG.com), the premier national IT solutions company, announced today that it has received a 2009 Boeing Performance Excellence Award. The Boeing Company issues the award annually to recognize suppliers who have achieved superior performance. TIG maintained a Gold composite performance rating for each month of the 12-month performance period, from October 1, 2008 to September 30, 2009.

This year, Boeing recognized 486 suppliers who achieved either a Gold or Silver level Boeing Performance Excellence Award. TIG is one of only 128 suppliers to receive the Gold level of recognition.

“We are honored to receive this Gold level award for Performance Excellence,” said Bruce Geier, President and CEO of Technology Integration Group. “TIG seeks to deliver the highest level of quality in the products and services we deliver to our customers, and this award is a testament to the hard work and dedication of our team members.”

A minority owned business and NMSDC Corporate Plus<sup>®</sup> supplier for organizations nationwide, TIG supplies enterprise servers and data storage, virtualization solutions, mobile PCs, and warranty repair to the Boeing Company.

A premier IT systems integrator, TIG has over 28 years of experience providing customers with best-in-class technology solutions. TIG is a financially stable computing technology provider and has remained profitable every year since the company’s founding in 1981. An award-winning Certified Minority Enterprise, certified Small Business, and a Corporate Plus<sup>®</sup> member of the National Minority Supplier Development Council (NMSDC), TIG is a leading diversity supplier to organizations nationwide. In addition to the company’s headquarters in San Diego, TIG has offices located in Albuquerque, Atlanta, Boise, Boulder, Denver, Detroit, Honolulu, Indianapolis, Irvine, Las Vegas, Los Alamitos, Philadelphia, Torrance, Richmond, Sacramento, San Antonio, San Francisco Bay area, Seattle, Tampa, Heidelberg, Germany, and Shanghai, China.
