

NetPros Partners with Appia to Offer Communication and Networking Services

Date: 03-17-2010 11:17 AM CET

Category: [IT, New Media & Software](#)

Press release from: [Appia Communications](#)

Founded by IT educators, Michigan-based NetPros is one of the newest tech consultancies to carry Appia's voice, video and networking services.

GRAND BLANC, Mich. – March 16, 2010 – Appia Communications announced today that NetPros LLC of Michigan has joined Appia's rapidly-growing nationwide network of partners.

Based in Grand Blanc, NetPros will add Appia's proven solutions in voice, data, video and networking to its portfolio of services for local businesses and organizations.

"We are excited to be associated with Appia for three very good reasons," said Jeff Cleveland, an IT educator and owner of NetPros. "First, they are headquartered here in Michigan. Second, Appia is ranked one of the top managed service providers nationally by MSPmentor. Third, their voice and data services will save our customers time and money."

For more information about partnership opportunities with Appia, please contact Tim Mahan at 630-406-6590 or tmahan@appiaservices.com.

For more information about Appia, including its full suite of communication and networking solutions, customer case studies and more, please visit www.appiaservices.com or call 877-277-4297.
