Date: 03-18-2010 11:04 AM CET

Category: [Business, Economy, Finances, Banking & Insurance](#)

Press release from: [Smart Solutions Credit Repair LLC](#)

Smart Solutions Credit Repair, LLC (SSCR) specializes in assisting homebuyers with credit repair and credit re-establishment and are not a consumer credit counseling agency and do not report to any bureaus. "Smart Solutions has the most comprehensive credit restoration program in nation employing over 50+ legal and general documents to restore credit - all approved by legal counsel," says Michael Hathman Owner of SSCR.

Smart Solutions is a well-known company retained by many Mortgage Companies, Lenders, Realty Companies, and even car lots. Founded in early 2000, with 20 years of combined lending, real estate and financial services experience, SSCR provides professional financial services, unique financial products and a networking company aimed at filling the needs of American Families throughout the USA. "We are a company that prides itself in choosing to be truly different and willing to stand apart from the rest of the financial services businesses in America by intelligently approaching problems with the aim to solve them," says Michael Hathman owner of SSCR.

Smart Solutions is dedicated to finding innovative ways to solve pressing financial problems for Americans at every income level. Our Financial Consultants are committed to containing and/or eliminating potential and actual financial threats to our customers and clients and, at the same time, maintain the highest profile of impeccable integrity doing so.
