Agency: **dvl**

PLYMOUTH, Ind. – (March 17, 2010) – Psychiatric Solutions, Inc. (PSI) recently named Dr. Robert Raster as the new chief medical officer of Michiana Behavioral Health Center. Dr. Raster will oversee the facility’s quality of care.

“We are excited to have Dr. Raster, a skilled psychiatrist, join our leadership team at Michiana Behavioral Health Center,” said Bryan Lett, chief executive officer. “I’m confident his past experience will help us continue to provide top quality mental health care to Plymouth and the surrounding areas.”

Prior to joining Michiana, Dr. Raster served 14 years as a staff psychiatrist at Madison Center in South Bend. Dr. Raster has also performed psychiatric evaluations and assessments at Edgewater Wellness Clinic in Chicago and was a psychiatrist at the Far Northwest Counseling Center. □ □

After graduating from The University of Notre Dame, Dr. Raster received a doctoral degree in medicine from Wayne State University in Detroit and served his residency at Northwestern University in Chicago. In 1997, he earned certification as a diplomate of the American Board of Psychiatry and Neurology.

About Michiana Behavioral Health Center □ Michiana Behavioral Health Center offers an environment dedicated to helping patients restore their health and get a fresh start. Located in Plymouth, Ind., the facility provides each patient with comprehensive behavioral health treatment from compassionate and caring staff. It offers services to children, adolescents, adults and seniors on an inpatient and outpatient basis. For more information, visit www.michianamediapsi.com

About Psychiatric Solutions, Inc. (PSI)

Psychiatric Solutions, Inc. offers an extensive continuum of behavioral health programs to critically ill children, adolescents and adults and is the largest operator of owned or leased freestanding psychiatric inpatient facilities with more than 11,000 beds in 32 states, Puerto Rico and the U.S. Virgin Islands. PSI also manages freestanding psychiatric inpatient facilities for government agencies and psychiatric inpatient units within medical/surgical hospitals owned by others.
