Hotel Soul opens in Suzhou China

Nestled in the heart of one of China's last ancient cities with its maze of canals, is the Hotel Soul, a member of Epoque Hotels. Its thematic décor, guaranteed comfort, good food and first class service, make this hip hotel, with 225 rooms, a place where little miracles happen. Hotel Soul has opened in April.

Future and history meet at the Soul: the modernist exterior and interior design of the Hotel Soul blends effortlessly into the traditional neighbourhood of Ping Jiang. Guest rooms are warmly lit and offer a full set of in-room designer amenities to refresh both body and mind. All rooms include high speed Internet connection, LCD flat TV, Electronic Room Safe with Power Socket, Stylish Bathroom Amenities, Designer Tea & Coffee Set with Mini Bar facilities.

Hotel Soul meets business guests' needs: three well designed meeting rooms are equipped with the latest in AV technology to aid seamless presentations and forums, while providing reliable in-meeting support. The Hotel also offers expert advice and service for weddings and other banquet requests. Both business and leisure guests will find services for their desires: Wi-Fi throughout the Hotel, concierge, limousine & shuttle bus, car rental & ticketing, laundry & valet, foreign exchange, child care service, facilities for disabled, gym, juice bar, a French brasserie offering healthy yet gourmet cuisine and a charming Suzhou-style rooftop garden.

Suzhou is one of China's growing destinations for business visitors. Hotel Soul is located in the Ping Jiang District, the very heart of ancient Suzhou. Its tiny teahouses and bustling businesses make it the perfect spot for people-watching. The Hotel lies within two kilometers – a few minutes taxi ride – south of Suzhou railway station. There are direct trains from Shanghai railway station to Suzhou, which take around 30 minutes. Driving from Hongqiao Airport and Pudong Airport takes about 60 minutes and 120 minutes respectively.
