Press release from: [MetricStream, Inc.](#)

The comprehensive solution will support compliance and risk management centered on internal and financial controls

MetricStream, Inc., the market leader in enterprise-wide Governance, Risk and Compliance (GRC) solutions announced today that TPG Capital, a leading private investment firm, has selected the MetricStream GRC platform and solution for internal controls, compliance and risk management.

Implementing MetricStream will provide TPG with a well-structured internal control system to support corporate governance by systematically monitoring and enhancing the efficiency and effectiveness of operational processes, financial reporting, business risks and compliance.

Gaurav Kapoor, CFO and General Manager at MetricStream, says: "We are immensely pleased to have TPG Capital as a customer in the private investment space. The financial services sector is going through major reforms for strengthening governance to ensuring operational efficiency and integrity. MetricStream GRC solutions play a critical role in simplifying compliance with the regulations, reducing business risk while improving business performance."
