Thousands of legal professionals to learn about the benefits of Print Audit 6 for Law

CALGARY, ALBERTA - June 2, 2010 – Print Audit 6 for Law has already allowed hundreds of law firm clients to automatically track and bill for all of their document creation expenses, thereby saving countless hours of work and thousands of dollars in monthly printing and copying expenses. Now this innovative software will be exhibited at the LegalTech West Coast 2010 Tradeshow in Los Angeles, California, running June 23 – 24, 2010.

The LegalTech tradeshow is the largest and most significant gathering of legal professionals including attorneys, CIO's and other law firm executives, IT & MIS professionals, law librarians and support staff. The show attracts over 3,500 attendees from countries all over the world, who are interested in finding the newest and most ground breaking legal technologies available.

Print Audit® is excited to be included in this important gathering where the audience will be exposed to the powerful cost recovery benefits of Print Audit 6 for Law. Attendees will learn how the software's many features can simplify client billing procedures by automatically assigning a client or matter number to every document that is printed or photocopied.
