Press release from: [BreedersUSA Inc.](#)

BreedersUSA Inc. becomes an Official Affiliate Satellite TV and Radio Station in partnership with Martin Broadcasting, adding Internet TV and Radio for the online visitors to BreedersUSA's primer Dog Breeders Directory, www.BreedersUSA.com.

Moreno Valley-CA City, 12/09/2005

BreedersUSA Inc. adds Free Internet Satellite TV and Radio for its clients and viewers.

"Our radio station programs are the greatest oldies from the 60's, 70's and 80's" said Greg Martin, Network Founder and CEO. "Some of these tunes on the radio network will take the listener back to the age we wish we still were," according to an affiliate station owner, Daniel Hect, CEO of BreedersUSA Inc."

Internet TV and Net Sat Radio's audiences include the professional working adults of all ages. This audience is computer literate, has discretionary income that values time and prefers convenience. Moreover, computers are the rule of the day and as society catches up with technology, the consumer will move away from their office desktop and transfer the online experience to their living room television, viewers and consumers alike will flip on the TV to bring the internet in their living room.

With the ability of the advertiser to use cross-promotions in Radio, TV and even an online Newspaper, www.BreedersUSA.com gives the advertiser a complete package to reach any and all markets and demographics his advertiser could possibly want.

BreedersUSA is an online service that provides Dog lovers with a resource to search for quality dog breeders that live in their community as well as watch their favorite Television show.

Reasons to visit www.BreedersUSA.com;

- Looking for a quality dog breeder in your area.
- Looking for free internet Television and Radio stations.
