Press release from: [medicalpicture gmbh](#)

Agency: **medicalpicture**

20% savings when purchasing medicalpicture ® - images with [aprettykettleoffish.com](#)

Some only give during Christmas. Not us! That's why we named our site 'a pretty kettle of fish' where we keep on giving all year long.

medicalpicture ® is slashing prices between December 6th and 31st, 2006. You can save up to 20% when making a purchase using our easy Click and Buy system with [www.aprettykettleoffish.com](#).

Price Cuts - Big Savings

Using the medicalpicture ® Click and Buy system when downloading images as a guest user you will receive discounts between 5% and 20%.

Only with Click and Buy

Image search and purchase has never been easier. A sophisticated search engine will guide you directly to the image that is perfect for you. It only takes a few short moments to select and purchase any picture you desire using the Click and Buy system. You can then immediately download the image to your personal hard drive. Additionally, licensing issues are of no concern due to our long usage window of 5 years. Use the image as often as you want! Only the usage for advertisement is restricted. You may pay directly using your Credit Card, Check Card or money wire. You will also receive an invoice.

Visit us now and save up to 20 % on all your image needs!

medicalpicture GmbH, Thomas Schmidt, Vogelsanger Str. 66, D-50823 Köln, fon: 49-221-92053-580, fax: 49-221-92053-133, mailto:info@medical-picture.com , home: [www.medical-picture.com](#)

medicalpicture GmbH was founded in 2002 in Cologne, Germany and is a subsidiary of DocCheck AG, Cologne. The managing director and founder of medicalpicture is Thomas Schmidt. medicalpicture operates the fastest growing, web-based image database in Germany with more than 100,000 images from the worlds of health, medicine, pharmacy and science. The

vast majority of image authors nationally and internationally are represented on an exclusive basis. In addition to licensing image media, medicalpicture offers solutions and services for image databases, image management and image management for the industry.
