Centerville, Ohio – July 29, 2010 – Maximum General Contractors today announced the launch of [restoredayton.com](http://restoredayton.com) as an information portal for Dayton area home owners and businesses to find information about insurance restoration projects. With articles being added almost every day and an online monthly newsletter of insurance restoration tips, the website is anticipated to quickly become Ohio's primary resource for residential and commercial insurance restoration advice.

Future plans include educational guides on selecting a insurance restoration contractor and professional advice from experts in the field.

The web site will be an invaluable resource for Ohio area homeowners and businesses in finding accessible information to address their insurance restoration needs. Information will be efficiently categorized for easy navigation.

The owner of Maximum General Contractors stated, "Our main objective is to be the number one insurance restoration resource guide for assisting everyone in the Dayton area with their insurance restoration needs. The depth of knowledge and resources at [www.restoredayton.com](http://www.restoredayton.com) is simple, concise and offers every homeowner some information about their home."

Maximum General Contractors is a professional insurance restoration company that offers a wide range of insurance restoration services to meet your every need large or small. Their professional insurance restoration contractors are ready to assist you with any insurance restoration emergency or project. They are fully bonded and insured.
