markt-studie.de, founded in 2002 has emerged as a leading online portal for market surveys and market research in German speaking areas. Four years later the English language portal reports-research.com was introduced due to the extraordinary success of the portal. Again one year later estudio-mercado.es - the Spanish spoken portal - was founded. The objective of the three portals is to competently and efficiently support consultants and decision makers in management, sales and marketing in the search for worldwide market research. Prospective buyers can look into more than 60,000 market surveys from more than 200 international publishers, current market data for more than 6,000 branches worldwide, 10,000 company profiles as well as a free-of-charge research and recommendation service for individual market research.
