Press release from: [Imperiali Organization](#)

Detroit, MI – January 6, 2006 – Today, Imperiali Founder Daniel Imperato visited with representatives from the Auto Industry for Imperiali's new auto industry involvement.

The company has entered into serious discussions with auto industry leaders in automobile industry's heartland, Detroit, to allow the US Automotive Industry to establish increased global sales of new and used automobiles.

This venture positions Imperiali to revive America's automotive industry on a global scale and helps US automakers compete in the global economy through increased exports.
