Press release from: [Charles Rutenberg Realty](#)

Agency: **PRMG**

Charles Rutenberg Realty, specializing in residential properties in Nassau, Suffolk, Queens, Kings and Westchester Counties, is pleased to announce the addition of Wilfred Frye as Associate Broker.

Mr. Frye, of White Plains, is a certified short sales and foreclosure specialist. Prior to joining Charles Rutenberg Realty, he was an Associate Broker for RE/MAX Power Realtors in Harrison. Mr. Frye is also a member of the National Association of REALTORS, the New York State Association of REALTORS, the Westchester Putnam Association of REALTORS, Inc. and the Long Island Board of REALTORS, Inc.

“I joined Charles Rutenberg Realty for several reasons relating primarily to my own professional growth as an independent contractor. It was important for me to be able to maintain as much autonomy as possible, yet be able to maximize my income. It doesn’t take a rocket scientist to realize that the goal is to keep as much of your commission as you can, but have at your disposal great training opportunities and many marketing resources,” Mr. Frye said.

“What I enjoy most about Charles Rutenberg Realty is the mere entrepreneurial spirit of the organization,” Mr. Frye continued. “You can feel the energy and enthusiasm that surrounds the staff. There is clear evidence of their desire to grow and be successful in a very competitive environment. There is a constant effort to offer resources at a reduced price to us to help us grow our business. After all, the more successful we are, the more successful the organization will be.”

“We are very pleased to welcome Wilfred to our company,” said Joe Moshé, Broker/Owner, Charles Rutenberg Realty. “Mr. Frye is known for his outstanding negotiating skills on behalf of his clients and for his outstanding ability to work independently. He will make a great addition to our company.”

Charles Rutenberg Realty is one of the nation’s fastest-growing Agencies with more than 900 Agents on Long Island, Queens and Westchester. For more information, call (516) 575-7500, or visit [www.crrli.com](http://www.crrli.com).
