Press release from: [Thomas Landschof Global Strategy Consultancy for Women's Fashion & Lingerie](#)

With immediate effect Thomas Landschof Global Strategy Consultancy for Women's Fashion and Lingerie from Germany and Intimate Product Concepts, Inc a top leading consulting firm focused on the development of Intimate Apparel Specialty Store and e-commerce business in the united states will build a new Transatlantic alliance for the Lingerie Industry. Both alliance partners will serve Lingerie clients on both sides of the Atlantic. Companies and Investors from the United States that want to invest in the European Union Lingerie Market or European Companies and Investors that want to invest in the Lingerie Market in United States now have a professional transatlantic lingerie consultancy alliance available on both sides of the Atlantic.

Thomas Landschof Global Strategy Consultancy for Women's Fashion and Lingerie has his focus on the Global Women's Fashion & Lingerie Industry as well as the Fashion Retail Segment. He is operating worldwide for the Fashion- and Textile Industry as well as Fashion Retail, Luxury and Luxury Spa's. Thomas combines more then 30 years of global practical experience within blue chip corporations (former C.F.O.) and top big four consultancies. Thomas worked on projects throughout Europe, Asia Pacific as well as the United States. Thomas is a Key Note Speaker for The London Speaker Bureau. He holds Workshops on Globalization Strategies and Visual Merchandising for Fashion Designers at Fashion School's worldwide.

Intimate Product Concepts, Inc is a consulting firm focused on the development of Intimate Apparel Specialty Store and e-commerce businesses. The company is driven by Ellen Lewis, a 25-year veteran of the Intimate Apparel industry with expertise in both the wholesale and retail side of the business. An experienced merchant with vast knowledge of the lingerie market, as well the ability to analyze retail figures in order to position a store for long term growth, she can provide buying, marketing, sales and visual input. Ellen's in depth knowledge of the product development process also enables the brand building process. Her goal is to develop strategies for her clients that enable gross margin profits while insuring that each client's identity is never compromised.
