With families and college students planning for Spring break vacations, the pressure is on to book your trip for the least amount of money while staying at a four or five star resort. In this pursuit, many people turn to travel agents or online discount promotions in hopes of getting “the best deal.”

Michael Smith, Level III Director with Coastal Vacations, has a tremendous offer for those who must escape the cold and get away to a warm Spring break destination. Based in the 5 Trillion Dollar Travel Industry, Coastal Vacations has been supplying lifetime discount vacation memberships for over 10 years, helping people save up to 75% off all their hotels, cruises, condos, airlines and more.

“The greatest advantage we have over our competition is that our vacation packages have lifetime privileges without any timeshare presentations to sit through” says Smith. For a limited time in January 2007, Smith is offering the Level 1 membership package at a savings of \$400 off the suggested retail price. For the money a family would spend on one vacation, they could purchase a lifetime membership with Coastal Vacations and have an unlimited supply of trips they could take.

The Level 1 Lifetime Coastal Vacation package includes the following trips.

- 5 Day and 4 Night Carnival Cruises
- 5 Day and 4 Night Accommodations in beautiful Cancun Mexico
- Bahamas Cruise and Stay – 4 Days and 3 Nights
- 7 Days and 6 Nights in Freeport Bahamas

- Countless mini vacations to destinations including: Mazatlan, Puerto Vallarta, Cancun, Hawaii, Aruba, Las Vegas, Florida, St. Maarten, and many more...
- 5 Days and 4 Nights at Disney World
- Plus hundreds of condominium stays

“It is common for people to question whether or not they received the best deal on their vacation package” says Smith. With a tightening economy, families and individuals are always looking for ways to escape the pressures of the daily grind while saving money in the process.

When purchasing a Lifetime Coastal Vacations membership, consumers can relax on their vacations knowing that they are staying at quality resorts at prices that are up to 75% off what others are paying for the exact same accommodations. Smith concludes by stating “I’m always looking to give consumers added value in their vacation planning. The \$400 discount on the Level 1 Lifetime Coastal Vacation package coincides nicely with the upcoming travel season.”
