Waltham, MA January 2007...Blue Robin, Inc., a leading ebusiness infrastructure developer, today announced that Kim Giannopoulos has joined the company's management team as Chief Financial Officer. Kim brings more than 15 years of finance and management experience to Blue Robin. During her career, she has worked with both large and small companies, helping them reach and maintain their financial objectives. As CFO of Blue Robin, Kim will take over the company's finance and administrative operations.

“Kim is another powerful addition to Blue Robin’s Management team, and we are very pleased to welcome her as she takes over this challenging role. Kim brings with her years of financial experience and expertise to Blue Robin, as well as a complete understanding of our business financial goals,” said Earl Gray, President & CTO of Blue Robin, Inc. “I am convinced that Kim will maintain our past performance of financial excellence we have established over the past 4 years.

“I am very excited to join Blue Robin and look forward to helping the company sustain its remarkable revenue growth, while administering effective cost controls,” said Ms. Giannopoulos. “In my role as CFO of Blue Robin, I am committed to maintaining consistent, sustainable, and profitable growth for the company.

“I welcome Kim and am confident that her appointment will help us manage the dramatic growth in revenue we've experienced in the last year. Kim will play a key role on our management team that will help take us to the next level,” said Hadi Shavarini CEO of Blue Robin.

Blue Robin is a leading eBusiness Infrastructure developer and can design, develop, implement, and support eBusiness infrastructures that combine data, voice, and video, utilizing the latest and the greatest hardware and software technology in diverse operating environments.
