

Website Design Services Discontinued

Date: 02-02-2007 01:54 PM CET

Category: [IT, New Media & Software](#)

Press release from: [Strateo Consulting Inc.](#)

Strateo Consulting Inc. of Calgary, Alberta, Canada, announced today that it will discontinue the website design service part of its business. This will enable the company to focus on its core area of providing fund development, marketing and communications consulting services. Strateo also, from time to time, assisted nonprofit organizations with website design and set-up on a pro bono basis. This service will also be discontinued.

Strateo Consulting Inc. is a marketing, communications and fund development consulting firm based in Calgary, Alberta, Canada.
