Press release from: [Nationwide Beauty & Barber Supply](#)

February 9, 2007. Syracuse, NY. Nationwide Beauty & Barber Supply has selected the new Andis Elevate™ Professional Tools to be carried in the March/April mail order catalog, as well as on their website, nationwidebeauty.com. The Elevate™ line features ultra-smooth, nano-ceramic technology that reduces friction and locks in moisture. Each tool is distinguished by its sleek design, in a shimmering red metallic finish.

The Nationwide catalog will feature two hair dryers from the line: the Tourmaline Ionic 1875 Watt, heavy duty AC Dryer, and the lightweight Tourmaline Hyper DC Ionic/Ceramic 1800 Watt Dryer. Also included will be the Nano-Silver Gold Infused Curling Iron, in four different sizes, and the Nano-Ceramic Tourmaline Flat Iron in two sizes.

“Nationwide strives to provide its customers with the best products available,” said Mr. Richard Kassel, President of Nationwide Beauty & Barber Supply. “The Andis Elevate™ line is filled with exciting new products we are pleased to offer our customers.”
