Syracuse, NY. February 5, 2007 -- Nationwide Beauty & Barber Supply is proud to offer the new "Design Your Own Styling Chair" from FYS (For Your Salon). FYS was founded in 2004 by Richard Kassel, President of Nationwide Beauty and Barber Supply.

Mr. Kassel discovered that customers of Nationwide Beauty frequently requested special colors or styles that were not available from other vendors. With FYS chairs, customers can "design their own" chairs by selecting from a number of features, including eighteen styles, twenty different colors and four bases. Literally thousands of unique chairs can be made to order, including dryer chairs and reception chairs.

In addition to customizable chairs, Nationwide Beauty and Barber Supply also offers FREE salon layout and design services. Nationwide Beauty's design team has helped numerous customers lay-out new facilities and remodel existing salons. This free, value-added service is offered to every Nationwide Beauty customer.

"Nationwide Beauty has always been focused on providing top tier customer service," said Mr. Kassel. "We are proud to offer our customers with opportunities to personalize their salon."
