Press release from: [Nationwide Beauty & Barber Supply](#)

Syracuse, NY. February 13, 2007. Nationwide Beauty and Barber Supply has expanded their salon furniture offering once again. The March/April catalog will feature FYS Essentials, a new modular station system at an affordable price point. The furniture line will also be carried on Nationwide Beauty's website: www.nationwidebeauty.com.

FYS Essentials includes a two-drawer wall-mount station, a base unit, a tower display, and a roll-about cart. Each item is available in a durable black or cherry laminate finish. Ideal for the hair-dresser or barber who is just starting out, these professional looking stations won't break the bank.

"One of the largest expenses a new hair dresser incurs, is the purchase of their furniture," said Mr. Richard Kassel, President of Nationwide Beauty & Barber Supply. "We are happy to provide our customers with the affordable and versatile option of the FYS Essentials line."
