Popular Weekend Radio Personality Roy Gray Says The Broach And Button That L.A.'s "Perfect Peace Bible Church" Awarded To Personal Public Relations Assistant Kathy Hanson Pack The Impact Of A Million Oscars

"Recently, I did a 'live-on-tape' remote broadcast from 'Perfect Peace Bible Church' in Los Angeles, and I was very impressed with the spiritually warm welcome I received from Pastor Charles Ashley and his marvelous congregation...But the highlight for me was when Pastor and Mrs. Ashley made an on-the air presentation to my personal public relations assistant, Kathy Hanson.

"Pastor Ashley, who is a sensational spiritual warrior, expressed deep appreciation for our bringing, in effect, the radio to the congregation, but the pleasure was all mine, as throughout my entire adult life I have enjoyed meeting and listening to people tell me their good and bad experiences. And I met some fascinating people at Perfect Peace, including a man named Talmus, who was restored by God after a car fell on him; and I look forward to getting out to do even more remote broadcasts, schedule permitting.

"Churches and businesses interested in having me consider broadcasting from their locations should email me," Gray offered, explaining that a limited number of Southern California pastors and others who purchase and place on-the-building professional banners announcing Gray's appearance(s)...can have up the eight shows done from their establishment.

Gray, who is also an independent voice-over artist and cousin of "Mary Mary" Super Producer Warryn "Baby Dubb"

Campbell, hosts the popular "Simply Gospel" music program, which airs live on the ICN.Com (The International Christian Network) every Saturday Night at 6 PST.

Gray is always looking for your help tracking down the following stories and more:

1. A portrait of a family living on a dollar a day
2. A day in the life of an AIDS patient raising kids
3. An investigation of people being sold into slavery in places like Ghana
4. A profile of a person who fixes up old furniture/houses for new immigrants
5. New business ventures in places like rural Mexico.
6. People helping to save the planet
