(EMAILWIRE.COM, March 01, 2007) San Angelo, TX - "Time flies when you're having fun," states Walter Bishop, Awesome Hilltop Acres CEO. Awesome Hilltop Acres will be celebrating its ninth year in the American Emu Association Certified Business Member Program. The Certified Business Member (CBM) program allows the American Emu Association (AEA) to refer consumers to companies able to respond quickly and professionally to inquiries for emu oil or meat. Partial use of the CBM program fees in the past have included development of an infomercial, press releases and their distribution as well as production of oil and meat brochures. The program opens for sign-ups in January and closes March 20th each year.

Awesome Hilltop Acres is home of two product lines, Awesome Hilltop Emu Oil products, and 100% Mineral Awesome Cosmetics. Both product lines are available wholesale. Awesome Hilltop products are available online, through distributors and in the "Made in Oklahoma" store located in the Tulsa Promenade Mall in Tulsa, OK.

AEA President, Charles Ramey stated, "I am extremely delighted to recognize Awesome Hilltop Acres as an outstanding participant in the Certified Business Member program. They have always been a strong supporter of the emu industry, and they have established themselves as a leading benchmark company through their customer dedication and excellent products." To learn more about Awesome Hilltop Acres or the product lines they offer, visit www.awesomeemuoil.com, email wbish@sbcglobal.net or call 918-664-0543.

The American Emu Association is a non-profit trade association representing the emu industry. The emu industry is an alternative agricultural industry, dominated by the small farmer, who is devoted to humane and environmentally positive practices that will produce beneficial products for society. For more information about the American Emu Association (AEA) or the emu industry visit www.aea-emu.org or call 541-332-0675.
