(EMAILWIRE.COM, March 05, 2007) San Angelo, TX – LB Processors announced today that they would be continuing as members of the American Emu Association Certified Business Member Program. They have been supporters of the program since 1998. The Certified Business Member Program (CBMP) was created in order to allow the American Emu Association (AEA) to respond to requests for information on where to purchase emu meat, oil and other emu co-products. The program opens for sign-ups in January and closes March 20th each year.

LB Processors, LLC is a state approved food processing facility for Specialty Oils for the cosmetic and dietary supplement industry. They are one of the largest refiners of emu oil in the world. “We offer custom processing, bottling and private labeling,” said Paul Binford, LB Processors CEO. “We sell any quantity of emu oil desired by the consumer, from ½ ounce up to 55 gallon drums.” Mr. Binford is also a member of the AEA Emu Oil Standards Committee and Emu Oil Research Committee.

AEA President Charles Ramey said "Mr. Binford and LB Processors have been a mainstay of the emu oil industry for a number of years and we are glad to have them as a member of the Certified Business Member Program." LB Processors has been in business since 1992 and ships emu oil around the world.

The American Emu Association is a non-profit trade association representing the emu industry. The emu industry is an alternative agricultural industry, dominated by the small farmer, who is devoted to humane and environmentally positive practices that will produce beneficial products for society. For more information about the American Emu Association (AEA) or the emu industry visit www.aea-emu.org or call 541-332-0675.
