Press release from: [ICON Supply Chain Management](#)

Karlsruhe (Germany), March 13, 2007. The Dutch manufacturer of measurement and control technology, Bronkhorst High-Tech, adds to its ERP system by implementing planning solutions from SCM provider ICON Supply Chain Management.

Bronkhorst High-Tech CEO Ben Brussen explained the decision: “The ICON solution ideally supports our manufacturing processes. The ICON consultants’ expertise also convinced us. They know exactly where to start.”

Bronkhorst High-Tech develops and manufactures mass flow measurement and control instruments, used in such areas as process, semiconductor and biotechnology or in the food and beverage industry. The medium-sized international company is headquartered in Ruurlo, the Netherlands.

### About ICON Supply Chain Management

ICON is a global solution provider for Supply Chain Management offering unique consulting expertise and an innovative product portfolio. For more than 15 years ICON supports medium-sized and international top companies like Hewlett-Packard, Sanmina-SCI, BMW, VW, Soitec a.o. in optimizing internal and cross-company supply chain processes. ICON is headquartered in Karlsruhe, Germany, with subsidiaries in San Jose, USA, and Hong Kong.
