Beautiful, Wealthy, Successful AliCiah Carter Rattles Popular Weekend Radio Personality Roy Gray With An Earthquake Of Love And Tears

April 25, 2007

- Popular Weekend Radio Personality Roy Gray has often mentioned on the air that he longs to be reunited with his estranged wife or find the one woman who could share his dreams, hopes and ambitions. Preferably another woman named Brenda.

"And then I met AliCiah (pronounced Alla See Yah) Carter," says Gray, pointing out, "AliCiah had everything, a great face and figure, spiritual wealth, and success, but I seem to have been that special ingredient missing from her life.

"Now I fancy myself a strong, Christian man who can be alone in the room with a half-naked beautiful woman and not make one move.

"Not so with AliCiah, I allowed myself to be seduced. As soon as she stepped into my room, I knew I was in trouble.

"I just sat there and gazed upon this beautiful creature of a woman as she told me her life story, and I began to read her like a book.

"AliCiah smiled her uniquely perfect smile as she told me how her personality, combined with superb design skills put her in high demand among some the most prestigious clientele at her advertising agency.

"Then AliCiah's smile faded and she made me experience an earthquake of tears as she proclaimed her love for me and said she hoped to heal me from the pain of my past, without it costing her faith, her morals, and her beliefs.

"She told me if I want to know more I need to go buy a copy of the successful novel 'My Dearest AliCiah' by Thelma Douglas," said Gray, with whom Douglas has started voice-over negotiations.

Gray, who is also an independent voice-over artist and cousin of "Mary Mary" Super Producer Warryn "Baby Dubb" Campbell, hosts the popular "Simply Gospel" music program, which airs live on theICN.Com (The International Christian Network) every Saturday Night at 6 PST.

Gray is always looking for your help tracking down the following stories and more:

1. A pastor making extraordinary efforts to change the community
2. A day in the life of a single person surrounded by a sea of married friends
3. An examination of who is chosen to sing choir solos, and why
4. A profile of a person who seems to be always giving and never receiving
5. New business ventures undertaken by the disadvantaged
6. Reports about how inspirational music has changed your life
