ThePinkSlip offers the best of the best in trendy and sophisticated merchandise with great brand names like Cosabella, Hanky Panky and On Gossamer. Our product line is the most unique and includes everything from sexy lingerie to an extensive cozy pajama collection for the Holidays.

The Pink Slip was born out of a genuine love and passion for fine lingerie and comfortable loungewear. This love and passion grew into a successful business beginning with the first Pink Slip store opening in the heart of New York City, Grand Central Station, in 1999.

Convenience is the niche that The Pink Slip first captured, offering busy travelers access to intimate gifts and forgotten “must have” items. Within months, The Pink Slip became “the” place to shop by the savviest and most discernable of shoppers-New Yorkers. Backed by industry recognition and a reputation for quality, selection and price, The Pink Slip sought to expand and share its unique approach to convenience and overall shopping experience-to those outside of New York.

You may be passing through a terminal on a layover in one of many airports and notice your favorite lingerie store right in front of you. Perhaps you prefer to shop from the comfort of your own home, either way, we at the Pink Slip want to ensure that you always have access to those all too important “must have” or “just want to have them” items.

With decades of experience and large merchandiser buying power, The Pink Slip is able to offer customers the widest selection of brand name intimate apparel, loungewear and accessories at the best prices. So, whether you’re a busy traveler, enjoy the occasional vacation, prefer cotton over lace, need advice about what to wear or how to wear it-we’re here for you.
