Pick N Personalize, a new online gift shop, offers wide range of products and accessories come adorned with your own special message to make your gift unique

Santa Monica, CA: Let your gift stand out. Pick N Personalize's range of party favors, products and accessories come inscribed or engraved with your own special message to add that extra personal touch.

“Anybody can buy a gift off the shelf, but it is the thought behind it that counts,” says Brian Lam of Pick N Personalize. “With Pick N Personalize, you can put that thought directly onto your gift, to make it truly personal and unique.”

Pick N Personalize (available at www.epersonalized-gifts.com) sorts gifts by recipients as well as by occasion, providing for an easy method of search. Gifts are available for birthdays, anniversaries, graduations, weddings, housewarmings and bridal showers. From jewelry boxes, money clips, pendants and apparel to drinking flasks, cigars, pocket watches and sports gifts, Pick N Personalize offers a wide range of products to suit every taste. Corporate gift sets include golf gifts, stationery and bar accessories.

Personalized products are shipped within 3-5 business days, and charges vary by weight and location. Rush delivery options such as three-day shipping, two-day air and next day air are also available for an additional fee. Pick N Personalize offers a five per cent discount on orders totaling over \$100.

“With our wide selection of products, finding that special gift for that special occasion now becomes that much easier,” says Lam. “By using Pick N Personalize's services, you can make your gift a truly memorable one.”
