Willemstad, CURACAO, -- VIPsports.com is happy to announce three big winners.

Anthony K. from Illinois won \$53,000 USD on a \$27, 12 team parlay. To add to the merriness of the season, Clint R. from Kentucky turned a \$5, 12 team parlay into \$11,000 USD.

"These two people are living proof that a small wager can easily be turned into a large sum of money," said Fredrik Wadstein, North American Marketing Manager for VIPsports.com. "I am sure that this will come in very handy during the holiday season."

Donald N. of North Carolina also got into the action by earning \$105,000 USD on an \$800, 12 team parlay.

Anthony K. was reached for comment and couldn't be any happier. "VIPsports.com is an amazing website for sports gaming. Because of them, I am buying White Sox season tickets, and my girlfriend and I are going to Hawaii over Christmas break."

Anthony also joins a large list of recent college student winners. College students are one of the fastest growing segments of players at VIPsports.com. "Thanks to my good fortune, I can now leave my job and focus completely on school," added a beaming Anthony.

A parlay is a bet of two or more teams, in which all teams wagered on must win. At VIPsports.com, you may include up to 12 selections in your parlay, in any combination of your favorite sports.

"VIPsports.com players are increasingly interested in parlay bets every year, and we are pleased to see it pay off in such a big way," added Wadstein. "This NFL season has been as exciting as any in recent memory, and we haven't even reached the playoffs yet!"
