HongKong, 21th June, 2007 (sourcingmap.com) Sourcingmap Company Ltd. recently introduced a new digital photo frame--Classic Mohogany 7" TFT Screen Digital Photo Frame Album MP3/MP4 w/ Remote, compared with the two products announced last year,the function of this digital photo frames is more complete, more powerful.

As digital camera and cell phone with high-pixel camera get popular, people has been used to keeping their photos by all kinds of storage devices such as PC HDD, semiconductor storage and CD-R. Even more, the photos that are printed out are now mostly from digital camera or cell phone with digital camera. The traditional photo frame and photo album will cost much money to print the photos out,and it will take a lot of time .As a result, the DPF, a product that can keep and review these digital photos, comes into being.

In 2005, Sourcingmap Company Ltd (www.sourcingmap.com) had launched their Digital Photo Frame products,but due to the high cost makes, the product prices were too high to be accepted by most consumers .Until 2006, as main parts prices went down,so did DPF prices and its market began to pick up. So , in the second half of 2006, they re-launched a high-quality, medium-price DPF---7" TFT Screen Digital MP3 Photo Frame Album w/ Remote Control , the price was only \$74.99 .
