The international law firm of Thompson & Knight LLP is proud to announce its inclusion among the top 100 law firms for diversity in a list published by MultiCultural Law magazine. The Firm was one of only four Texas-based firms to be included.

Thompson & Knight was also named in the following lists: Top 50 Law Firms for Partners, Top 100 Law Firms for Women, Top 25 Law Firms for Hispanics, and Top 25 Law Firms for Native Americans.

“We are honored to be recognized by MultiCultural Law,” says Pauline Higgins, Partner and Chief Diversity Officer. “This recognition is an indicator of the strides the Firm is making toward diversity and inclusiveness. Diversity without inclusion is empty and, therefore, it’s not consequential.”

MultiCultural Law is a diversity publication from L.P. Green & Partners, Inc. The magazine addresses diversity in the legal profession in addition to covering workplace diversity and the roles that minorities and women play in today’s business world.

Since 1887, Thompson & Knight LLP has consistently made a positive impact on its clients’ successes. With its practice focused on the energy industry, the Firm has extensive resources in corporate and securities, litigation, tax, insolvency, and international energy matters. The Firm has approximately 420 attorneys, and has offices and alliances in North America, South America, Europe, and Africa. Thompson & Knight represents companies, government entities, and individuals in local, regional, and national markets around the world.
