London, UK, September 19th 2007 Apartotels.com is proud and happy on its successful alliance with all major Apartments providers. This successful association has strengthened the relationship between Apartotels and Serviced Apartments providers. All big Apartments' groups are more than happy to renew their contract with Apartotels for another 1 year and sure that Apartotels will bring more bookings as compared to last year. Not only had we renewed the contract, now we have more properties with same day availability which will result in more customer satisfaction. This will increase the Apartotels bookings, earning a comfortable place for itself in the market. This year, however, Apartotels are expecting that sales will go up with competitive rates, giving its competitor a run for their money.

On this success Mr. Mohsen Mdaoukhi (CEO) said "We are glad that our association with all major Apartments' providers has borne fruits for travel industry. We hope and pray that we may continue to give the best service to our customers and make traveling more attractive and lucrative business".
