West Palm Beach, FL – September 19, 2007 - Today, Imperato for President 2008, the official Presidential Campaign Committee for Daniel Imperato, announced that they will be holding their regular presidential live broadcast this Wednesday September 19, 2007 at 8pm EST on

www.imperato2008.com.

Daniel Imperato is currently an independent candidate for the office of President of United States of America, and is seeking the nomination from the Libertarian Party.

During this broadcast, Imperato will call out for all students across the country to start submitting their videos to www.studentpipeline.net. Imperato is looking for student campaign managers for his upcoming election to help him win the White House in 2008. Student Campaign managers who present the best videos with the best ideas on how to run a campaign to win the youth vote for 2008 will be featured on the upcoming reality TV show, America's Next President, and will be eligible to participate in the Imperato Foundation's youth business and political incubator program.

In addition, he will further promote his plan to unite America to take a 3rd party to the White House, a 33 million Man and Woman e-March. In addition, he will ask those 33 million Americans to stand up for equal time for all candidates in the media. With the two recent lackluster debates, it has become clear that America needs another choice.

Imperato has proposed for 33 million Americans to join his campaign team and contribute \$1 to his campaign to help secure America's future, bringing an alternative candidate to the White House (Click Here to Contribute to the 33 million Man and Woman E-March).

Imperato's broadcasts are streamed live across the world via the i1tv broadcast network (www.i1tv.net), powered by i1search (www.i1search.com), and managed by i1connect (www.i1connect.com).

Of all the announced presidential candidates, Imperato is the first to introduce regular live broadcasts to his campaign each and every single Wednesday night.

In addition, the campaign asked all of their supporters to throw "campaign parties" for the Imperato for President 2008 LIVE Broadcasts, so that message of Imperato can spread across the country.

Also, the campaign is asking for volunteers to submit emails of friends and family so that the campaign can send them personal e-vite invitations.
