Brandi C. (Brandi Cunningham) made a splash on VH1's "Rock of Love." Now, the show has set the stage for her to become the talk of the town. In just the first episode, she convinced America that she has her whole own show going on – commanding the audience and giving them a glimpse into her world sex, partying, and charm. Her crazy, sexy antics on the show make her a star, and her free spirit bled right through to Bret Michael's heart. Wild, blonde and sexy—what more do people need?
