PLANO, TEXAS – December 11, 2007 – Sleep Healers, the Dallas-Fort Worth leader in the clinical diagnosis and treatment of sleep disorders, has opened its 10th Metroplex location in The Texas Clinic at Prestonwood at Plano Parkway and Marsh Lane in Plano, Texas. The medical facility is the first to open in what many feel will be one of the most advanced, multi-specialty medical destinations in North Texas. The new Sleep Healers facility features a 6-bed sleep lab, with unparalleled controlled sleeping environments, including double-lined soundproof walls and ceilings, staffed by on-site specially-trained Sleep Technicians.

Amenities in Sleep Healers' six sleep suites include individual full bathroom/showers, luxury four-poster beds, large LCD flat screen TV with over 100 cable channels, individual climate control with ceiling fans, light dimmers and a voice communication system. These types of features, added to the lavish décor, provide the ultimate sleeping environment in what amounts to a 5-star hotel experience.

Dedicated to empowering people to live a vital life through better sleep, the new Sleep Healers at The Texas Clinic at Prestonwood is a full-serve sleep laboratory, offering such services as diagnostic Polysomnogram to determine the cause of sleep disorders, CPAP Titration to determine the pressure needed to maintain an open airway in Sleep Apnea patients and Multiple Sleep Latency Testing to determine causes of excessive daytime sleeping. Accredited by The Joint Commission of Accredited Healthcare Organizations (JCAHO), and having earned their Gold Seal of Approval, Sleep Healers undergoes regular on-site surveys and on-going evaluation to ensure that it meets independently evaluated and comprehensive standards of healthcare excellence.

Open 7 days a week to provide maximum convenience for its patients, Sleep Healers is located in The Texas Clinic at Prestonwood at the corner of Plano Parkway and Marsh in Plano, TX (6957 W. Plano Parkway, Suite 1200). For further information, call the center at 972-506-7800 or visit the Sleep Healers website at www.sleephealers.net.

About The Texas Clinic at Prestonwood (TTCAP)

The Texas Clinic at Prestonwood offers patients an advanced multi-specialty destination for complete wellness, providing an assortment of medical treatments and services. When fully tenanted in early 2008, TTCAP will house Apex Emergency Care, Prestonwood Surgery Center, Prestonwood Urology, Prestonwood Imaging Center, Team Orthopedics, Verity Radiation Therapy Center, Heart First Cardiology Center, Sleep Healers' Sleep Diagnostics, The Hope Oncology Center, TLC Edge Surgical Weight Loss plus a variety of other complementary, advanced and specialized medical practices.

Set on 4.17 acres, TTCAP features some of the most advanced medical technology in North Texas, including the first Siemens 128-slice, dual source CT in the region, North Texas' first Varian Trilogy Linear Accelerator, with on-board CT and x-ray imaging, one of the few Siemens 3-Tesla MRI units outside a hospital in the area, a Hologic Digital Mammography unit, DEXA and 3D/4D Ultrasound and two vaults for delivery of Image-Guided Intensity Modulated Radiation Therapy (IMRT)

and Stereotactic Radiosurgery.

The building features a dramatic two-story, steel and concrete design by Jonathan Bailey Architects, considered the premier medical architectural firm in the world. Its covered, drive-up entrance, easy access, two-level parking garage and ample surface parking combine to create a convenient patient-friendly experience. The Texas Clinic at Prestonwood is located at 6957 Plano Parkway in Plano, Texas, at the corner of Plano Parkway and Marsh Lane.
