-- Broad Range of Hotels at the Lowest Available Prices  
For Seniors At Hotelopia.com --

ORLANDO, FL – Oct. 19, 2005 — Senior snowbirds as well as those who don't flee the tepid temperatures, will appreciate a new, year round 10% exclusive discount for seniors ages 55+ at Hotelopia.com, the no surprises travel website.

To participate, seniors simply enter a special voucher code (506070) on the Hotelopia.com website when booking a reservation at one of 16,000 properties at more than 500 destinations worldwide. The 10% discount will instantly be applied to the final price -- whether it's a budget room or a palatial accommodation at the most exclusive resort.

First time bookers will appreciate the "no surprises" pledge – the rate quoted is the final rate including taxes, fees and surcharges, so there are no surprises when booking or worse, at the check-in desk.

Hotelopia.com offers maximum simplicity for ease and speed of booking. Unlike other sites, Hotelopia.com doesn't require a customer to register to make a reservation.

Perhaps most important, it only takes three clicks from look-to-book, so the reservation process is quick and straightforward.

Hotelopia.com also stays with the consumer every step of the way, with an unrivalled customer service focus. A customer support team is available 24 hours a day, 7 days a week, to contact from home or abroad. Unlike other sites, Hotelopia.com's access to a network of 65 offices around the world ensures it has locally based staff in destinations with first hand knowledge to provide support and expertise as required.

"We're committed to delivering unrivalled value on quality hotels for seniors this winter and on an ongoing basis," explains Sotiris Damianos, general director at Hotelopia.com. "Seniors can depend on us to provide the most suitable accommodations available at the guaranteed lowest price."
