What they may not be aware of is that 1stinCoffee.com does double duty for them: 1stinCoffee.com also is a reliable vendor for refurbished high-end coffee and espresso brewing machines.

Among the desirable espresso machines that 1stinCoffee.com sells refurbished, at tremendous savings to the home consumer, are machines from Jura. Jura is a world-renowned manufacturer of machines for making espresso, cappuccino, lattes, and long crema coffees – and usually that quality comes at a certain price. Jura machines are worth the money for coffee drinkers who want the best. But for those who want the best for less money, 1stinCoffee.com can offer refurbished Jura machines at steep discounts, sometimes as much as 50% off the regular price. Among the most popular models of Jura Capresso that are available refurbished are the Jura Capresso E8, the Jura Capresso F9, and the Jura Capresso S9.

These are handsome, reliable, dependable machines that will provide the discriminating coffee drinker with years of pleasure and service. For the cost-conscious connoisseur, refurbished Jura Capresso machines are an excellent investment.
