Press release from: [Michael Richter - International marketing and sales consultant](#)

In order to assist foreign companies in their efforts to sell to Germany and further German speaking countries the website www.michaelrichter-marketing.de/produkt_empfehlungen/inde... had been launched.

Due to the concentrated presentation of comparable companies on only one page the attraction for searchers is given.

The present search results of the webpage of the initiator - see statistics on the a. m. page - nearly guarantee a high ranking in the search results within a relatively short period.

Michael Richter - International Marketing- and sales consultant - concentrates for more than 35 years on marketing and selling of investment goods and long-lasting consumer goods to/in all 5 continents - since 1991 he works as an independent marketing consultant, especially foer SMEs worldwide.
